

GETTING AROUND

A number of issues were highlighted in our previous consultations. We would like to know more about some of these

Where are the potholes that require filling?	
Where are road markings required?	
Where are warning signs needed?	
Where does flooding cause problems?	
What are the problems with pavements in the village?	
What other issues are important to you?	

Residents report several issues that make walking around the village a problem. If these are still an issue what should be done to improve things?

Traffic volume?	
Speed of traffic?	
Long or wide vehicles?	
Damage to pavements or verges?	

Is there anything that would improve your experience of cycling or walking?

A number of proposals have been made to improve traffic in the village. Please indicate *your* priorities marking 1 as the most important. Mark with X any that you are not in favour of.

Road humps to calm traffic speeds?	
Where should these humps be situated?	
Priority scheme in Main St by Green Thatch?	
Roundabout at Coscote?	
Priority to traffic between the Hagbournes at Coscote?	
Pedestrian friendly road surfacing between the pond at Manor Farm and York Rd south?	
A 20mph speed limit?	
A relief road from Great Western Park to the A417 running adjacent to the A34?	

Would you be interested in any of the following schemes for walkers and cyclists?

	please tick	YES	NO
Improved off-road cycle route from York Road to Didcot near Didcot Girls' School?			
An off-road route from York Road to join Park Road at the outskirts of Didcot?			
Extension of the pavement/cycle track from Upton to the Horse & Harrow?			
Improvement of the path from Foxglove Lane to East Hagbourne?			
Retain and maintain traditional routes of local Rights of Way as they are?			

THANK YOU
