

A PLAN FOR WEST HAGBOURNE

WHAT IS A CLP?

A community-led plan succeeds and replaces the Parish Plan made 5 years ago. It's your chance to help shape the future of West Hagbourne over the next five years, and to tell South Oxfordshire District Council and Oxfordshire County Council what you want for your community.

The purpose of this survey is to find out **what issues are of most importance** to West Hagbourne residents and to draw up a **plan of action** with the aim of delivering what people have requested.

The Plan belongs to all the people of West Hagbourne and its delivery will need volunteers to come forward for the various projects.

Why should I complete the survey?

- To express **your** opinion
- To say what **you feel** about our community
- To **preserve** what is good about our community
- To **influence** how the community develops in the future.

Please write any additional comments on a separate sheet of paper and return it with this leaflet.
