## Rector's Reflections

### Field and Fountain, Moor and Mountain

These words come from the first verse of one of the traditional hymns sung at this time of year: "We three kings of Orient are, bearing gifts we traverse afar, field and fountain, moor and mountain, following yonder star". The verses go on to list the three gifts brought by the Kings to the baby Jesus: gold, frankincense and myrrh.

The story is found in Matthew's gospel, and the word used for "king" in this passage can also be translated as "wise man", or "Magus"; hence sometimes they are known as the Wisemen, or the Magi (the plural of Magus).

You might be thinking to yourself: what have words from a Christmas carol got to do with the month of January? The answer lies in a Church Festival which always falls on 6th January: the Festival of the Epiphany. This is the festival when the Church remembers the visit of the Kings to the baby Jesus. The word "Epiphany" comes from a Greek word meaning "appearance" or "manifestation", and the "manifestation" in question is the "manifestation" of the baby Jesus to the kings. The significance of this is that the kings were non-Jews, and Jesus's appearance to the Kings shows that his life and teaching is relevant to all the peoples of the world, Jew and Non-Jew alike.

And what of the gifts which the Kings brought? Why were they chosen? Did they have particular significance? The gift of gold is often seen as signifying Jesus's kingship; the gift of frankincense, the fact that Jesus was God as well as Man; and the gift of myrrh, the fact that Jesus was to suffer and to die.

And what happened next, after the Kings had begun their homeward journey? We don't know. Did they become Christians themselves? Again, we do not know. All we do know is that the story of their visit was important to the early Christian community, and it was important enough to be included in Matthew's gospel.

The Kings had had the courage to journey into the unknown: to follow the star, not quite knowing what they would encounter. I wonder what is on our hearts and minds as we journey out into the year that lies ahead? Where might God be leading us?

*Father Jason*

**Tower Talk** The Christmas Tree Festival was a great success this year with over 100 decorated trees appearing throughout East and West Hagbourne. There were also 30 trees in Church including one sponsored by the Bell Ringers and also a Memory Tree. Congratulations to Hagbourne Pre-School for winning the most popular tree.

Our practices have been taking place as usual on a Tuesday evening and have been well attended. We have rung the bells for two Morning Services a month and also for two Evensongs a month.

We also rang the bells for two Funerals in December the first being Mary Napper of Blewbury on 9th December and then we were asked to ring for the funeral of Lady Caroline Lucas-Tooth of East Hagbourne on Wednesday 21st December. May they Rest in Peace.

The bells were rung for the Christmas Services and we also rang the bells as usual from 11:30pm on New Year's Eve.

Birthdays: Mary Goy – 27th January.

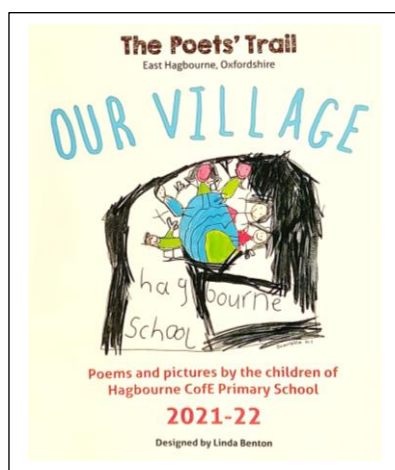

*The Bell Ringers would like to take this opportunity to wish you all a Very Happy and Prosperous New Year*

**Midweek Communion** Everyone welcome to the Midweek Communion at **St Andrew's, Hagbourne** every Wednesday at 10am. This is a said Communion Service without hymns and the opportunity to stay for a coffee or tea afterwards and a chat. For the safety of others, please consider wearing a face covering. **This is a popular Service – all welcome.**

**Thank You** A big thank you to all who donated items to the Advent Collection for Oxford Homeless. Your generosity enabled us to take a large number of items to O'Hanlon House in Oxford to be wrapped for Christmas presents. The Action Group

**The Poets' Trail update** Last year the children at Hagbourne School produced charming pictures and wrote imaginative words about the village, and their Poets' Trail book, **Our Village** has proved a great success. You may have seen lots of the children's pictures decorating The Poets' Trail Christmas tree in church.

The next project is an anthology on a "green" theme. Feel inspired . . . anything from a limerick, a sonnet, some free verse or rhyming couplets. Give it a go!

All three Poets' Trail books are available at The Community Shop at £5 each.

## TreeFest – It's a wrap!

**Thank you so much East and West Hagbourne for your outstanding support for St Andrew's Christmas Tree Festival. You erected over 150 trees in the Church and around the Villages, bought well over 1000 raffle tickets and consumed more mulled wine and mince pies than you can shake a bauble at!**

Adding in the generous contributions of our festival sponsors and your wonderful donations at festival events, our latest estimates are that we were able to **raise somewhere between £4000 and £5000** to be split between the Church and Albie and Beyond; fundraising for Brain Tumour Research. We were immensely lucky to have Lauren and Hayle, Albie's parents, come along to some of the festival events. and Lauren's heartfelt talks will live long in the memory.

Many agree that the centrepiece of the whole festival was the superbly eclectic gathering of thirty trees in the church sponsored and decorated by local groups and businesses.

People came from far and wide to view the trees and voted for their favourite. We even had ITV feature us on the News!

After your votes were tallied (all 489 of them) the result was announced at our Festival Finale before the drawing of our Grand Raffle. Congratulations to our winners, **Hagbourne Pre-School** and huge thanks to everybody who gave their time and skill to create their trees. We think this was the highest standard we've ever had.

**To everybody in both Hagbournes, it's your Festival; thanks for making it so special!**

## HUGS January news – Hagbournes and Upton Group for Sustainability

### **Nature is our ship. We must ensure it stays afloat.**

**These are the words of Virginijus Sinkevicius, EU Commissioner for Environment, Oceans and Fisheries at the COP 15 UN Biodiversity Summit in Canada.**

In December, the COP managed to reach agreement, including the 30 by 30 target, to protect 30% of the planet for nature by 2030. Also, restoring 30% of the planet's degraded inland water, coastal and marine ecosystems, and reforming environmentally damaging subsidies. There was disappointment that agreement was not reached around a new separate biodiversity fund for the countries of the south (including Brazil, the Democratic Republic of Congo and Indonesia, with the largest areas of rainforest to protect).

**What can we do?** Our shopping patterns collectively have a huge impact on global biodiversity. Foods such as chocolate, coffee, coconut and palm oil can have a disastrous impact on forests if they're not sustainably farmed. The World Wildlife Fund has a list of foods and cosmetics to be aware of on its [website](#).

**What does it mean here, at ground level in our parish?** We are, rather shockingly, one of the most nature-depleted countries in the whole world. And our UK government has not been moving in the right direction to protect biodiversity. BBOWT, our local wildlife trust has actions on this [page](#) to send a message to the government. Have a look and make a difference!

We can also look at our own land and surroundings – can you do more in your garden to support nature? Our wildlife gardening [page](#) has many ideas for you to try out in 2023. Or maybe you know about an area locally that could be used to support nature, whether that's rewilding or more managed conservation. If you do, let us know. Email us at [hugsustainability@gmail.com](mailto:hugsustainability@gmail.com)

**You can also join us on our monthly work parties. Together, we work on different tasks to support nature's recovery here on our doorstep. [www.hugsustainability.org](http://www.hugsustainability.org)**

## Can you write a poem?

The next project by **The Poets' Trail** will be an anthology on a local **GREEN THEME**: Think of things environmental, ecological, and sustainable, in a good or bad way around East Hagbourne.

*For example.*

- Growing veg. on the allotments.
- Walking or cycling instead of driving.
- Encouraging bees, butterflies and other insects into the garden.
- Finding a fab outfit in a charity shop.
- How hot the summer was.
- Why do people still leave litter around?

## HAMS - *Best Wishes for the New Year*

Good morning, Elsie, Happy New Year to you, did you have a good Christmas?

Yes, thanks Enid, it was lovely as the family came over to help us see the New Year in: I think we had too much to drink as we could hardly trot in a straight line the following morning.

Oh Elsie, how could you have been so thoughtless as you knew that Farmer Hoggett's sheepdog, Fly, was due to come to herd you down to the pens that morning? You know how hard Fly has been working looking after those adorable puppies.

Perhaps you're right, we might have been a bit unhelpful, but you know how sheepdogs always bully us and snap at our heels, we weren't feeling very friendly in our state.

Well, I don't think those playful bundles of fun are going to grow up like that, they'll have much better manners.

At least the ducks are behaving normally now that the long cold spell we had before Christmas has passed.

Not before time! Their pond was frozen over for weeks as it was so bitterly cold. I was extremely grateful that we were wearing our heavyweight winter woolly coats.

Enid, it won't be long before the nights start drawing out and you'll be complaining that you're too hot and wishing for the shearer to come to the farm.

Talking of wishing, have you heard the latest New Year resolutions from the cast of Babe? They are all going around muttering "I must learn my lines; I must learn my lines".

Time goes so quickly, tickets for the play about Babe go on sale next month for the performances in the village hall in March. Details will be in the next Parish Magazine and local press.

Elsie, I know you enjoy our little gossips as much as I do, so we'll talk again soon.

## Comments from the East Hagbourne Parish Council Chairman

### A Guid New Year tae yin and a'

**In the year 2022** Here are some personally selected highlights for 2022. At the county and district levels, the main event was the launch, after some preliminary evidence gathering in 2021, of the Joint Local Plan for South Oxfordshire and the Vale of the White Horse (JLP 2041) in May. Unfortunately, because of the recent collapse of the countywide Oxfordshire Plan 2050, it looks difficult for the JLP 2041 to meet its target date of 2024.

It is amazing to recall that the building of the houses opposite the school did not start until the end of May and that it will be the summer of 2024 before they finish building. This is the biggest single development in the history of our village and will increase our number of houses by about 15%

After more than ten years of trying to get a 20mph speed limit on Main Road, this was eventually achieved in June this year at no cost to the Parish Council. We are currently examining the possibility of extending this limit to other parts of the village.

Although the Church was already being used for concerts and poetry readings, it had never been used for any formal Parish meeting until the Annual Parish Meeting on 31st March and a presentation by Deanfield on 7th April. This secular use of our oldest building is a great asset to the village.

A meeting on waste disposal and recycling with a talk by Jessica Beare was very well attended and led to much continuing discussion on the weekly bin collections.

### ... and now to 2023

**Housing development by the Village Hall** After the Christmas break, the building will recommence on 3rd January. In spite of delays when the very cold weather in early December prevented normal operations, the programme is still on schedule to deliver all foundations by the end of March, the show house by the end of April, and the first occupation by the end of May. Major road works on Main Road will necessitate the closing of the road for around a week and a traffic light system for another week or two thereafter. To minimize disruption, this has been scheduled for 3rd April at the beginning of the school Easter holidays.

**20mph Limit** A short (one page) survey concerning the possible 20mph limit on New Road and Blewbury Road will be delivered to every house in East Hagbourne around the middle of January. It would be great if you could respond to this survey so that we can get an accurate measure of the feeling of the village to these proposals.

**Parish Council Elections** Elections for the Parish Council are held every four years and the next elections will be on 6th May this year. If you want to know more about what this entails, please contact the Clerk, myself, or any Parish Councillor. There are also a series of Zoom meetings planned at a county level by the Oxfordshire Association of Local Councils that covers eligibility, skills, expectations, and some basics about life as a councillor. These will be held every month and the first will be at 7pm on Tuesday 24th January. No booking is necessary and more information and links to the Zoom sessions are available on the website - <https://www.oalc.org.uk/event-detail/00000000161>

**Neighbourhood Plan** The revised East Hagbourne Neighbourhood Plan has been well received by SODC and only a few points were raised requiring some relatively minor updates. These have now been submitted by the Steering Group and it is expected that the revised plan will go to a six-week consultation early in the New Year.

**Parish Surgeries** The surgeries at the Fleur de Lys have been lively affairs and so I will continue there with a surgery from **5.30 to 7.00pm on Friday 20th January**.

**Parish Council meetings** Parish Council meetings are held in the Pavilion on the Recreation Ground. Members of the public are welcome to join the meeting and the agenda is posted on village notice boards and the village web pages at least three clear days before the meeting. The next meeting will be held starting at **7.30pm on Thursday 12th January**. Let me remind you that this is not a formal or even approved article from the Parish Council but is rather a few words from me. Thus, anything in this article should not be construed as coming from or endorsed by the Parish Council. Iain Duff

## A Happy New Year from the Parish Magazine Committee

We hope that as many people as possible in East and West Hagbourne are seeing and enjoying the parish magazine which is at present online on both the East and the West Hagbourne Parish Council websites. We thank the Parish Councils for hosting the magazine. We are also emailing copies of the parish magazine to individuals.

We are continuing online at present and are able to print a few magazines for those without a computer. If you know of someone who would like a printed copy, then please let us know. If anyone would like to be added to our online emailing lists, then also let us know on [magtemp5@gmail.com](mailto:magtemp5@gmail.com). We will be making decisions in the New Year about going back to printing the magazine but will still continue to send it out online.

We would be grateful for any donations towards the production of the magazine and suggest maybe a donation of £6 for the year if you receive it online or £12 for the year if you are receiving a printed copy.

It is possible to pay donations or subscriptions by Bank Transfer using the following details:

**Hagbourne Parochial Church Council, Account Number: 30438952**  
**Sort Code: 20-01-09 and please use this reference: "Magazine"**

If you would prefer to pay by cash or cheque, payable to **Hagbourne Parochial Church Council** this can be safely left in the wall box in church (to the left of the door as you enter) or to 22 Blewbury Road, East Hagbourne, 104 New Road, East Hagbourne or Little Ash, York Road, West Hagbourne. Please put money or a cheque in an envelope marked "magazine" and if you are paying for a printed copy please add your name and address on the envelope. Thank you.

Many thanks to all the contributors who send in their varied and interesting articles month by month and many thanks also to our advertisers who continue to support the magazine.

Janet Corderoy, Chairman, Parish Magazine Committee.
