## Rector's Reflections

### A Surprising Fact about the Diocese of Oxford

There are always surprising things to learn about the Diocese of Oxford. For example, did you know that the Diocese of Oxford educates approximately 60,000 young people in its church schools?

And did you know these schools are provided for the benefit of all, regardless of faith? People sometimes talk about church schools as "faith schools", but "faith schools" are quite different. "Faith" schools are for the faithful of one particular religious tradition. "Church" schools are schools provided by the church for everyone, regardless of their belief. Non-Christians are very welcome to attend church schools, and many Muslim parents choose to send their children to a church school. I should add that if a church school is over-subscribed, it may be that in some circumstances faith is one of the factors taken into account when allocating a place in the school, but this is very much the exception to the general rule that church schools are provided for the benefit of everyone.

Why does the Church of England invest so heavily in the provision of schools? It is nothing about trying to brain wash little minds into becoming church going Christians. It is about trying to enable every young person to flourish. The Church believes that every person is precious in God's eyes, and every person deserves the best possible opportunity to flourish. Church schools are fundamentally about the church's commitment to social justice: the belief that every child deserves a fair chance in life.

Church schools operate as a partnership between the church, the government, and the local community. There are so many ways for members of the local community to support their school: for example, you can come into school to help with reading, or offer to serve as a governor. Whoever you are, and whatever you wish to offer, you can be assured that you will be warmly welcomed and given all the training you need.

Church schools have been serving their communities since Victorian times (and sometimes earlier). Our schools have continuously changed and developed over the years, but the fundamental purpose remains the same: they seek to be a blessing to their communities. And I think this is what our churches should be all about: Churches should be communities of Christians who look outwards, and seek to be a blessing to others. The Church doesn't exist for itself. It exists for others. Fr Jason.

### Free Organ Recital at St Andrew's Sunday 1st June at 5pm

We will be joined by James Lord, music student at Cardiff University and Organ Scholar at St Martins in Roath but previously Didcot Sixth Form! His programme includes works by Bach, Perrin, Demessieux, Vaughan Williams, Boëllmann and Fletcher.  
We hope to see you there!

**Churchwarden's chatter** During May we commemorated VE Day with bell ringing. At our annual meeting we elected two new members to the committee, Dr Linda Tayler and Charles Kingston. We will welcome them to our meetings. The first was on 27th May. Lots were discussed which shows just how active we are. In June we have our first Wedding of the year and the Fete, luckily not on the same day! There is also a Confirmation Service at 6pm on 8th June.

We are looking for new volunteers to help with the day to day running of the Church, if you can help in any way (cleaning, flower arranging etc) please let us know. I am very pleased that there are concerts, both choral and organ, held in the church as it is always good to welcome visitors to our church at any time. Thank you all for your continued support.

Death watch beetle has been spotted in our lovely Church! We are in the process of getting experts in to assess the damage and we will keep you posted. Jane and Jill.

**Sunday Club** In the Parish Room at St Andrew's, Hagbourne on the first Sunday of the month at 10.30am, joining parents in the Church Service later. Bible stories, circle time, drawing, colouring, painting, crafts and more. Ages 4 - 11. Encourages children to interact with each other and adults, make friends, be creative. A gentle introduction to Christian values.

**Next dates: Sundays 1st June and 6th July**  
**ALL WELCOME**

**Benefice Online Church Service . . . Please help spread the word about our regular online Church Service!** The technology is easy to master but Elaine is happy to assist with setting it up. It was a good workout for George and Kelly and hopefully they gained a lot from the morning.

The bells were rung on Thursday 8th May to commemorate VE Day.

A huge thank you to everyone who helped to make this year's Fun Run certainly the biggest and possibly the best ever! More participants (500+), more money raised for charity (£4500+) and undoubtedly more cake eaten than ever before!!

Congratulations to all those who took part and thank you to our generous sponsors, all of the volunteers who helped on the day and the local residents who kindly tolerated so many people charging across your fields or past your front doors.

Each year this event is a lovely example of our community coming together, pulling together and having a lot of fun ... so please do join us again next year.

Thank you, The Fun Run Committee

## The Village Fund

Each year the Fun Run raises money for cancer research and the village fund which helps groups and individuals in our community. In the past we have supported such diverse causes as the defibrillators, the village hall extension and family support for medical treatment. If you are based in the village and are looking to raise money please send us an email to [hagbournevillagefund@gmail.com](mailto:hagbournevillagefund@gmail.com) and we will see if we can help.

## HUGS - Hagbournes and Upton Group for Sustainability

**In celebration of trees** If you didn't see Linda Benton's Didcot oaks exhibition at the Cornerstone in May, do pick up a copy of the latest Poets' Trail anthology 'Didcot Oaks (and other notable trees)' with Linda's beautiful illustrations. Available from the Cornerstone and East Hagbourne Village Shop.

### Meanwhile, here's why we love and celebrate trees:

- Economic value, trees yield many crops across the world (including timber, rubber and fuel). They provide us with jobs, landscaping, forestry and woodland restoration. They even enhance the value of our houses by just being there in our gardens.
- They feed us (our local heritage here is fruit tree orchards; apples, pears, plums, greengage, damson and cherries).
- They provide myriad environmental services. They store carbon, their canopy catches and roots absorb rainwater reducing flood risk, they lower temperature and provide us with much needed shade in our hot springtime's, summers and autumns. They also improve air quality, absorbing pollution as well as sound.
- They support an abundance of wildlife. A mighty oak can support more than 280 species of insect alone. As well as insects, birds and mammals depend on trees for a home and for food. The woodland habitat trees create, lowers temperatures, making a home for many types of plants, insects and other species under their canopies.
- Our own health depends on nature and trees are a vital part of this. We may feel that we're no longer a part of nature, but scientific studies suggest otherwise. Our blood pressure lowers when we look at wildflowers and blossom. And we recover better from ill health / surgery when we can see trees from our hospital or bedroom windows.

So, if you have trees in your garden or your neighbourhood look after them. And if you want more trees, you have the summer months to plan and research which beautiful species to bring into your home environment to nurture you, your family and your local wildlife. ## **Jazz in the Hagbournes On Sunday, 8th June, we welcome Charlie Wood and his Blues Band to The Fleur, in support of the Ronnie Scott Allstars.**

Charlie is from Memphis, Tennessee via New Orleans, Chicago and other influential Jazz/Blues locations. And now East Hagbourne..... He became a Beale Street Musician (Beale Street being the centre of Blues in Memphis) and later was honoured with a Brass Note on Beale Street, the Memphis equivalent of a Star on the Hollywood Walk of Fame. His style is eclectic, mixing Blues, Jazz and R'n'B in a hugely entertaining show. He married Sir Johnny Dankworth's daughter, Jaqui, and now lives over here. He plays throughout Europe and is also a Professor of Music at the Guildhall School of Music.

I cannot recommend him highly enough for both enthusiasts and those who are new to Jazz/Blues.  
Peter Hands.

A recent report shows that there has been a 56% increase in the number of food parcels provided to families with children in the South East over five years. Locally we've seen a significant drop in donations to the foodbank. If you are able to donate, these are some of the items most needed: Tins of meat, fish, vegetables, soup, fruit, puddings; Jars of pasta sauces, jam, peanut butter, coffee (small); Packets of pasta, rice, packets of dried potato, breakfast cereals, biscuits, treats, tea, hot chocolate; Cartons of long-life milk and long-life juice; Toiletries, toilet rolls and clothes-wash items. NO alcohol, razors, medicines or homemade preserves. **There is a collection point at Sainsbury's in Didcot.** Alternatively, you can make a financial donation which can be on a one-off or regular basis. This can be done by visiting: <https://didcotbaptist.churchsuite.com/donate/> and "Foodbank" as your option adding gift aid if you are able to. All donations are gratefully appreciated. Thank you.

**If you need to use the Foodbank** you can leave a message on the Baptist Church Office answering machine on 01235 813 187 or you can email the Foodbank: [foodbank@didcotbaptist.org.uk](mailto:foodbank@didcotbaptist.org.uk) or use the [contact form](#) on the website

## Comments from the East Hagbourne Parish Council Chairman

**CIL Projects** The two-page copy of potential CIL projects that we are presently evaluating, costing, and promoting have been flying off the shelves in the Community Shop but there has been almost nobody responding to my call in the last Parish Magazine for help in advancing these. We have thus, together with a second printing of the list for the shop, added another sheet giving a councillor to contact for each category. It is my plan to highlight in this page one category each month.

**Making Walking Safe and a Pleasure (aka footways)** So let me start with the one that I am leading. The main reason that I am is that this involves significant interaction with Oxford County Council (OCC), and the Clerk and myself have already spent considerable energy trying to engage with the Highways people at OCC.

One CIL project in this category is a possible footway between the new estate and the cemetery so that the only crossing of Main Road when going from the Church or central village to the cemetery would be at the zebra crossing. Other projects include improving the footways on Main Road, perhaps even extending or levelling them. Although OCC responsibility, they have effectively no money for this so our only recourse is to use CIL money noting that, in pre-CIL days, these funds may have been held by the County Council.

So please contact me (iain.duff@easthagbourne.net) if you are interested to help with this, particularly if you have some expertise with these things.

I should add that, as well as the CIL projects, we are strongly engaging with OCC about improving the road to Coscote, at their cost given the decisions made by them at the outline plan for the estate not to charge the developers with doing this. We are also trying to coordinate work of different councils to resurface the carriageway by the raised footway near 10 and 12 Main Road to avoid regrowth of gutter weeds, and we understand that a slurry seal on most of Main Road footway is scheduled.

**Public Art Project** The deadline for artists or budding artists to submit their proposals is just passing as you read this article. However, usually the editor is so efficient that you might be reading this ere the end of May and at any rate a brilliant application submitted in very early June will still be considered.

The Steering Committee will consider the applications by 16th June so hopefully some recommendations may pass to the Parish Council for final decision at the meeting on 19th June. Just in case you are planning a last minute entry, the three artists' briefs are on the village website and can be found as the first item on the link: <https://easthagbourne.net/folder/miscellaneous/>. Your proposal should be sent by email to the Parish Clerk ([easthagbourneparishcouncil@gmail.com](mailto:easthagbourneparishcouncil@gmail.com)).

**Parish Surgeries. Friday the Thirteenth.** Maybe tempting providence, but the next parish surgery will be in the Fleur de Lys on Friday 13th June from 5.00 to 6.30 pm. As always, feel free to contact me (iain.duff@easthagbourne.net), the clerk or any other councillor should you have urgent concerns.

**Parish Council meetings** The next meeting of East Hagbourne Parish Council will be held in the Pavilion in the Recreation Ground starting at 7.30pm on Thursday 19th June. Members of the public are welcome to join the meeting and the agenda is posted on village notice boards and the village web pages at least three clear days before the meeting.

Although I often ask the clerk or a council member to review parts of this page, and I am grateful for any improvements, this is not a formal or even approved article from the Parish Council. I accept full responsibility for any errors or omissions, and do please alert me to any you find! Iain Duff.

A reminder - please remember to tie back the lovely hollyhocks, keep weeds clear of pathways and sensitively trim boundary hedges back during the growing season, so we can all continue to enjoy our beautiful village safely.

**Oxfordshire Young Farmers County Show and Rally** Congratulations to all the organisers and volunteers of the County Show on 17th May at Sheencroft Farm. It was a very busy, successful day and lovely to see the steam engines making their way to and from the Show.

**Bus service to the Churchill, Nuffield and Warneford Hospitals**  
**The bus to catch for any of these hospitals from the centre of Oxford is number 15 which is every 1/4 hour during the day, taking 10-12 minutes, longer at busy times.**  
You can catch it near the entrance to the Covered Market or near Queen's Lane. Those stops work whether you're connecting from Didcot with the Thames Travel X32 or, quicker but more walking, using the train from Didcot. The set down points are announced on the bus; for the Warneford, Warneford Road; for the Churchill, Roosevelt Drive; for the Nuffield, the stop is further on, called Lime Walk, and is actually in Old Road near the Old Road entrance to the hospital. **The website for the 15** is <https://www.oxfordbus.co.uk/services/OXBC/15>, where you can also find a useful bus map and even live information. When using the X32 to Oxford, it's also possible to connect with the 15 near the Police Station, generally fewer people trying to get on at once.

**Didcot and District U3a** Come along to the monthly meetings held on the **third Tuesday of every month at the Didcot Civic Hall starting at 2:30pm**. New members are always warmly welcomed to join and chat over tea and biscuits.  
The next meeting is on **Tuesday, 17th June** with a musical delight from Mike and Rachel on the dulcimer and autoharp. The speaker will be David Fenton. [membership@didcotu3a.org](mailto:membership@didcotu3a.org)
