Rector's Reflections

A Different Sort of Harvest

Welcome to September! I wonder what you think about when you think of September? Perhaps you think about children starting new terms at school, or the leaves on the trees beginning to take on their autumn colours.

For many people, September is the month for a Harvest Festival – an opportunity for the community to come together to celebrate our farmers, and all their hard work in ensuring that we have food to eat.

When we think of Harvest, we tend to think of harvest in a literal sense: we celebrate the crops, fruit and vegetables grown in our fields, gardens and allotments. But we can also think of Harvest in spiritual terms. God has given each one of us various gifts and skills. We can picture these gifts and skills as seeds, which God has planted. God expects us to care for these seeds, and to nurture their growth. In due course, God will expect a harvest.

In Paul's First Letter to Christians in the Greek city of Corinth, he refers to the Christian community in that city as "God's field". It's an interesting and challenging image. I wonder what is growing in the field of our own lives? Are we producing a crop of love and joy and peace? Are we giving the fields of our lives the water of prayer? Are we doing our best to eradicate the weeds of selfishness?

Paul adds a further image. He writes that farming is sometimes a matter of teamwork: one person may be responsible for sowing a crop, but someone else is responsible for watering it. Neither role is more important than the other: both are needed, if the seed is to produce a crop for harvest. It can be like that in our spiritual lives: one person can be responsible for sowing the seed of faith, but someone else can be responsible for helping the seed to grow.

So I think Harvest Festival is a time to think of Harvest in both its literal and its spiritual sense. We thank God for our food, and for all who are involved in its production, processing and transportation. But we also thank God for the spiritual seeds which he has planted in our lives. May God bless our lives with a rich harvest of love, peace and joy. *Father Jason*

Tower Talk Despite the very hot weather, the bells have been rung at St Andrews tower for practices and for services throughout July and August although on one Tuesday evening they rang the bells for just an hour for practice due to the HOT weather! Fortunately, the weather is much cooler now but we do need some RAIN!!

Disappointing Sadly the Duck Race had to be cancelled on Sunday 28th August as the stream did not have enough water in it for the ducks to swim down. They will go back into training and hopefully will be back next year!!

We rang the bells for the weddings of Gillian Corderoy and Justin Leadbeater, Gillian is the daughter of Janet and Joe Corderoy. Also, for Lauren Mullins and Ross Bresnahan and Jade Bollam and David O'Brien. We wish them all every happiness in the future.

Birthdays: 20th September – Matthew Addison

Anniversaries: 6th September, Trevor and Shirley Goss. 24th September, Joe and Janet Corderoy.

Date for the Diary: Sunday 18th September – Pet Service at 10:30am.

Coffee Rota We now serve coffee after the **Morning Service** on the 1st and 3rd Sundays of the month, and also on 'special' Sundays.

If you were once a volunteer, and feel able to start again, I would love to hear from you.

Many thanks Marian [816808] or richardpowell960@btinternet.com

CHURN CHURCHES CLIMATE ACTION GROUP

Information Sheet 1

You may remember COP 26 (the UN Climate Change Conference) which was held in Glasgow last November. This meeting gave us stark warnings of what action is needed to limit increases in global temperature, and the consequences of failing to achieve these targets.

Most people will be aware that greenhouse gas emissions are the main contributor to global warming. Although we obviously need the governments of the world to take leadership for both reducing greenhouse gases and mitigating the effects of climate change, we can all make a direct contribution ourselves. It may seem that our contribution is too small to make a difference, but if we all take positive steps it can add up to a significant difference.

What is the Churn Churches Climate Action Group?

The purpose of the Churn Churches Climate Action Group is to encourage conversation and action within the communities served by the Churn Benefice to reduce the impact of climate change.

The purpose of this notice board is to provide useful information on a regular basis of how you can reduce your carbon footprint, possibly save money and most importantly help save the planet. Carbon Dioxide (CO₂) is a greenhouse gas and contributes significantly to global warming. So if we can reduce emissions of CO₂ we can help reduce the harmful effects to the planet.

Over the coming months, each update will concentrate on a particular topic, to help you make a difference. The carbon reduction topic areas we will be covering include:

- Homes
- Transport
- Food
- Clothing

To start us off, we will be looking at how we may be able to reduce carbon emissions from our home. We can do this in a number of ways by insulating effectively, considering the efficiency of our heating systems, making sure any updates to our home are energy efficient and so on.

This time we will concentrate on home insulation. Our homes are all different. They vary in age, design, construction etc, but they all have a common link. When we heat them, a certain amount of the heat escapes from the home to outside.

This not only means the home will be colder than it could be, but it means we are burning more fuel to heat them, costing us more and almost certainly releasing more CO₂ into the atmosphere. So however your home is constructed the simplest way to reduce your heating is to make sure the home is well insulated.

Continued on page 8 . . .

Loft Insulation

Did you know that approximately a quarter of the heat from your home is lost through the roof if you don't have loft insulation. Modern homes are likely to be better insulated due to the requirements of building regulations, but even a modern home may benefit from adding further loft insulation.

The recommended thickness of loft insulation is 270mm. So if yours is less than this, you may like to consider topping it up. If you have an older property with little or no insulation, it's definitely worth adding insulation now. If you have the skills you could add the loft insulation yourself, otherwise there are many specialist companies who can do this for you. The link below provides more information regarding loft insulation and may be useful to find suitable installers.

www.energysavingtrust.org.uk

As an example of installation costs, savings in heating costs and savings in CO₂, the Energy Saving Trust (www.energysavingtrust.org.uk) suggest for the average detached house it would cost £680 to install, would result in £580 savings per year and result in 1300kg per year less CO₂ being released to the atmosphere. It doesn't matter if your house isn't detached, you'll still make significant savings with the optimum loft insulation. You may find you qualify for assistance with the cost of loft insulation: for people on means tested benefits it is likely to be free. To check if this applies to you, try following this link, www.gov.uk/improve-energy-efficiency

Next time we will be looking at other ways to insulate your home – walls, windows, doors and so on. There are many DIY window and door insulation, and draft proofing solutions available, most of which are very easy to install and cheap! If you don't have access to the web links shown above, or would like further assistance, please call 01235 814892.

Sunday Club In the Parish Room at St Andrew's,

Encourages children to interact with each other and adults, make friends, be creative. A gentle introduction to Christian values.

Next date: Sunday 4th September - ALL WELCOME.

News from Your Village Hall

Over the summer holiday, there has been quite a lot going on in the Village Hall.

Outside: Deanfield Homes has made good on their promise to add a further 20 car parking spaces to the village car park.

Inside: The kitchen has been given a complete makeover, with new doors, appliances and worktops brightening it up considerably. We now have a door between the Small Hall and the kitchen, making access easier when the Main Hall is in use.

3 of the 5 radiators in the Small Hall have been replaced with modern high efficiency units, and the emergency lights have all been replaced where necessary. It turns out the emergency lights need to be left on at all times, as switching them off damages their circuit boards – who knew!

We continue to look at ways to improve and upgrade the hall, and if you have any suggestions or comments, please contact me or another member of the management committee. Richard Elliott

September HUGS news

Back to School

We've really enjoyed working with Mrs Dendy, Mrs Kyle and Year 4 from Hagbourne Primary over the past months. The children have planted yellow rattle plug plants with us in the Hagbourne Cemetery meadow. This allows wildflowers a better chance to establish as yellow rattle parasitizes on grasses. They have also worked on their identification skills and helped us to record the different species of flowers, grasses, butterflies, day-flying moths and other invertebrates to be found on one July afternoon in a wildflower meadow!

We're really looking forward to working with the school this coming academic year too.

Conservation work

We have a new page on the website about our conservation work, do have a look!

<https://www.hugsustainability.org/owl-copy> Amongst other things, this autumn we'll be working on clearing wider pathways in our woodland area to let more light in for greater biodiversity. We'll be scarifying parts of the Cemetery meadow and using yellow rattle seed to enable more wildflowers to thrive. We run work parties on the first Saturday of each month, do get in touch if you'd like to join our wonderful group of volunteers (hugsustainability@gmail.com).

Extreme heat and drought

We planted hedging and wildflowers last winter and it's been hard to keep them alive without enough rain. The recurrent heat waves and drought have made it a very tough spring and summer for nature. The only hope is that as the effects of the climate crisis increasingly affect our daily lives, more and more of us will take notice, and start to change how we live our lives.

The Annual Duck Race Sadly the Annual Duck Race run by the St Andrew's Bell-Ringers due to take place on 28th August had to be cancelled this year due to lack of water in the stream.

With Sympathy We send our heartfelt sympathies to Heather and to all the family and friends of Bill Absalom. Bill died on the 17th July at the age of 99 and his Funeral Service took place at St Andrew's on the 9th August. We will have a tribute to Bill in the October parish magazine.

Wallingford Deanery – Pilgrim Path Walks Please join us on **Sunday 4th September** for our 3rd Pilgrim Path walk of 2022. This time we visit the lovely churches of All Saints' Chilton, St Mary the Virgin, Upton and St Matthew's, Harwell. Start time is 2pm at Chilton Recreation car park OX11 0SH If you do not wish to walk, you are very welcome to join us for refreshments at All Saints' Chilton at approx. 17:15. For more information please contact the Walk Leader, Sid Gale, sid@the-gales.com

Macmillan Coffee Morning – 1st October
West Hagbourne Village Association are holding their

You are invited to come along with family and friends and enjoy a cup of tea or coffee or squash and delicious homemade cakes. There will also be a raffle which helps to raise funds. Any donations to Macmillan will help to support this worthwhile cause.

Many thanks to Mary Allen who once again has provided the use of York Farm,
West Hagbourne.

The Summer Fete at St Andrew's

What a great day Saturday, 16th July was! The Church Fete turned out to be a **HUGE** success.

Here are some remarks that were made:

"A big well done and thanks for all your efforts in getting the Fete organised. An awful lot went on behind the scenes, as always."

"Hopefully some decent profits were made – but even if not the event was a PR triumph. So many people, particularly young families."

"I particularly liked all the old style, traditional stalls, hoopla, splat a rat, tombola and Duncan's excellent electric wire – complete with 20's music and his stylish costume."

"Particularly gratifying was that enough people stayed behind to help clear up – so it was pretty much done within an hour. I would always recommend a policy of run a stall, clear up your stall."

"I suspect this will be the first of more Fetes at the Church. My own advice would be don't let it get any bigger – it was spot on today."

"Thanks again – it was a triumph – the weather playing ball too."

If YOU have any comments regarding the Fete – or hear of any – please let me know. It doesn't matter if they are good or bad. They will all help when (if) we get round to planning the next one.

To let you know – we made a profit of just a smidge over £3,000!!!! Jill Garlick.

Harvest Festival Flowers

Dear Flower Arrangers,

Harvest Festival is to be on Sunday 2nd October this year. It is always lovely to see the glorious colours of late summer and autumn filling the church once more. Therefore, it would be lovely if we could all get together on the Saturday morning, 1st October to place some floral arrangements ready for a joyful celebration of thanks for all good gifts around us! If a different day other than the Saturday suits you better, that is fine. Will look forward to seeing the seasonal colours of this lovely time of year.

Regards and best wishes, Helen Clayson.

Lu's Owls will be at The Hagbourne Village Produce Show

**2 – 4pm Sunday, 4th September
at the Village Hall**

Find out what they eat,
where they live and how
you can help them. . .**

Tribute to Alan Dodd

23rd November 1955 – 2nd June 2022

Alan passed away on 2nd June 2022 in the John Radcliffe Hospital with Alison and Sophie at his side following a very short illness.

Alan and Alison were due to celebrate 30 years of marriage this September and returned to live in Lake Road, East Hagbourne 26 years ago. Alan was very proud of his daughter Sophie and her career achievements. From the messages of support we have received its been clear to see Alan spoke highly of Sophie whilst delivering his post. Alan's personality will continue to live on in Sophie.

Alan has an older daughter Emma from a previous marriage.

A big part of Alan, Alison and Sophie's life were their 4 legged friends, the cats. Alfie, Hugo, and the late Charlie, Freddie and Ollie. Alan enjoyed looking after and relaxing in the garden with a can of cider. The family enjoyed many family holidays both home and abroad.

Alan enjoyed his job as a postman. He started Royal Mail on the 4th June 1990 and dedicating 32 years of service firstly covering East Hagbourne then moving on to cover Aston Tirrold and Aston Upthorpe.

Alan was born in Wallingford on 23rd November 1955 to Doris and the late Furnley. Alan was 1 of 8 children. Kay, Derek, Furnley, Ivor, Liz and the late Mary and Robert.

Alan had a close relationship with Alison's siblings Janet, Mick and Julie and his late in laws Donald and Lilian. Alan attended Greenmere primary school followed by St Birinus secondary school.

Alan's Funeral Service took place on Thursday 30th June 2022 at St Andrew's Church East Hagbourne followed by a burial at East and West Hagbourne Cemetery. A retiring collection for Thames Valley Air Ambulance raised £840.00

Alison and Sophie thank family, friends, neighbours, Royal Mail colleagues and the communities of East Hagbourne, Aston Tirrold and Aston Upthorpe for their kind messages and support following the loss of Alan.

A Scarf for Lewy - www.lewybody.org

I would just like to say a big thank you to Joy, Jean and Jane of the East Hagbourne Knitwits who knitted three beautiful scarfs for Lewy Body Dementia, along with my own blue scarf which made a lovely selection of scarfs to be sent to the society.

Lewy Body are sewing all the scarfs together and on the 22nd September 2022 they are going to wrap the huge scarf around the Albert Hall in London to raise awareness of Lewy Body.

I would just like to say that I have done this in memory of my late brother-in-law Richard Davies.

Thank you so much, Alison Davis

Tribute to Cyril Goodenough

31st May 1920 – 18th July 2022

Cyril Goodenough was born in East Hagbourne on 31st^t May 1920, one of ten children. He spent his early years in and around East Hagbourne and went to Secondary School in Didcot. His grandson, Tom, was the Headteacher of the same school until recently. Cyril joined the Army two days before War was declared in 1939 and spent the next seven years in the RASC. He was stationed in London during the Blitz and later at Newbury Racecourse which had been developed into a marshalling yard for war material. He then took part in three D Day invasions, in the Italian Campaign with assaults on Sicily, Salerno and Anzio. He finished the War in the Azores before joining Civvy Street in 1946. In 2018 Cyril wrote and published his memoirs of his experience in WW2.

In later life Cyril was a founding Director of Berkshire Builders Merchants in Newbury. He was a keen golfer and was Captain of Newbury and Crookham Golf Club. He retired in 1984 and settled in Kintbury, remaining active and enjoyed travelling around Kintbury on his electric "scooter". He enjoyed keeping in touch with Hagbourne and received the parish magazine each month for all the local news. Cyril recently moved to a care home in Newbury and passed away on 18th July.

Cyril leaves two children, several grandchildren and great grandchildren, some as far away as New Zealand. He also has a stepfamily of children and grandchildren from his marriage to Jane, who died in 2015. Cyril's Funeral took place at St Mary's, Kintbury on 9th August.

We send our sympathies and best wishes to all Cyril's family and friends.

Hagbourne Baby and Toddler Group

Hagbourne Baby and Toddler Group meets in St Andrew's Church on Fridays in term-time from 9.45 to 11.15am. Children from birth to 5 years with their parent/grandparent/carer.

£2.00 per family session – includes a healthy snack for children and hot drinks for adults. The group is a long-established friendly parent run group. We have a variety of toys including ride-ons, slide, dolls, toy cars, Duplo, baby toys, mats and bouncers. On occasions a craft activity is also offered. Our current children really enjoy their weekly play together (for some it is their only interaction with other children) and they look forward to Friday mornings and meeting their friends.

Planting pollinator plants for bees and insects and creating homes and habitats.

Doors open from 7pm for refreshments and the talk starts at 7.30. Tea, coffee and homemade cake will be available For further information please contact Sally Barksfield on 01235 352275

Comments from the East Hagbourne Parish Council Chairman

Housing Development by the Village Hall As you will have seen, Deanfield and their subcontractor Agetur have worked hard to finish the car park extension and the main entrance to the site during the school holidays. I am sure there will still be some chaos and challenges when School and Pre-school start in September but getting this work done beforehand will certainly reduce these.

The site manager at Deanfield is in regular contact with myself and with the School to advise of any ongoing issues and to resolve them quickly. They also advise us of cases when heavy machinery has to be brought through the central village because it is unable to fit under the railway bridge on Main Road. The Parish Clerk will broadcast such information on the village Facebook pages and on mailchimp.

Mailchimp It is worth reminding non-Facebook users that emails of Parish Council postings on Facebook will be sent to everybody who has asked to be notified. An easy to complete form for this is available on the village web site or directly by going to <https://mailchi.mp/9791c642ed24/ehpc>. Please note that your email will not be shared with any other people or used for purposes other than sending communications from the Parish Council. Normally, you should expect no more than about one message each week.

20mph limit The County Council are currently looking at reducing speed limits in villages and towns from 30 or 40 mph to 20mph. We have put New Road and Blewbury Road on this list. As we are in the third tranche for this, nothing will happen for over two years and residents will have the opportunity to comment on this proposal. It was important to sign up at this time since otherwise the option would not be available.

Recycling After a visit by myself and Councillor Gover to the waste disposal facility at Ardley ERF, we have kept in touch with the South and Vale officer who addressed the meeting on recycling. She is happy to visit the village and discuss recycling including answering all your questions on what and what not should be put in our green bins. It is hoped that this meeting will take place before the middle of October. More on this will be announced on Facebook, mailchimp, the Parish Magazine, and posters nearer the event.

Welcome Pack Councillors Shaikh and Elliott are preparing a new and up-to-date welcome booklet that will give advice to new residents about the facilities and activities in our village. It is planned that this should be ready for distribution within the next month or two.

Parish surgeries As my surgeries in the Village Hall are attracting very few people, I will try a change of venue next month. I will be at an outside table in the Fleur de Lys from 5.30 to 7.00 on Tuesday 13th September and look forward to answering your questions on the housing development by the Village Hall and School and other matters of interest and concern in the Parish.

Parish Council meetings Parish Council meetings are held in the pavilion on the Recreation Ground. Members of the public are welcome to join the meeting and the agenda is posted on village notice boards and the village web pages at least three clear days before the meeting. The next meeting will be held starting at 7.30pm on Thursday 8th September. Let me remind you that this is not a formal or even approved article from the Parish Council but is rather a few words from me. Thus anything in this article should not be construed as coming from or endorsed by the Parish Council. Iain Duff

Didcot and District U3A offers the opportunity to share your knowledge and experience and talents with others and learn from them in friendly surroundings. Why not come along to the next meeting on **20th September** at 2.30pm at Didcot Civic Hall for a talk by Jane Glennie – **Violet Jessop's escape from the Titanic.**

REVIEW OF THE EAST HAGBOURNE NEIGHBOURHOOD PLAN

The review and update of our Neighbourhood Plan, announced in April, is progressing well. The central element will be a Design Code. The NP calls for development to be appropriate to each Character Area and the Code will provide guidance on how that can be achieved.

A second element will be to give more prominence to the challenges of climate change and biodiversity including working towards a Nature Recovery Plan for the parish.

Lastly, there will be an extension to the Local Green Space at Bakers Lane and two green spaces recognised as Assets of Local Distinctiveness. We hope to have a consultation draft completed later in September and will call a public meeting so that everyone can comment. Please watch the website for latest developments.

CHAIRMAN'S SURGERY – 13th September 2022 Iain Duff will be on an outside table at the Fleur de Lys from 5.30 to 7.00pm to welcome any residents with concerns or queries relating to matters in the parish.
