St George's Day Celebration

Encourage all householders to make their own dragon and display in front garden from 18 April. Mike is to make one to display on the village pond. Judging will take place on the 23rd. Peter is to ask the man who played the stand in for Dumbledore. If he is unable to do it Betty suggested the woman in charge at Cornerstone. A gift voucher will be given to the winner.

Keith is to buy 6 strips of St George's flags to display in centre of village.

The history group has devised a quiz, which will be included in this month's newsletter.

Keith is to confirm booking for hall and check if they have plates. If not let Betty know and she may be able to source. Mike is to check with Q gardens on size, price and type of pies available. We will also provide jacket potatoes, salad and desserts. Andrea will get the tablecloths. At the supper the history group will have a display and Eva will do a display on St George. June is to organise a flyer for distribution by April 4th.

We also discussed having a banner at the entrance to the village. June is to talk to Keith and Marion to Phil to see if either could help with this.

Building around village.

Marion held a think tank at her house to discuss what could be done about the plans to build around the village. A paper will be produced from this meeting and circulated to all residents. Ed Vesey will attend the parish meeting in May.

Madge Trophy

The judging will take place in September this year. Betty will contact Brenda Andrews to see if she is prepared to be the judge.

AGM

Will be Tuesday 24th March at 7.30 at The George and Dragon Upton and followed by supper. I have made booking and given Phil Taylor details for the Newsletter.
